PLACEMENT CELL  
ANNUAL REPORT 2022-2023

The placement cell organized campus recruitment drives program for the final year students in the academic year 2022-2023. The main objective of the Placement cell is to provide personal and career related support to the students with special emphasis on training the students on employability skills and to provide placement in various Industries/Organizations by arranging campus recruitment drives. The Pharvinex Pharmaceutical Recruitment Drive was conducted on August 6, 2022, attended by 18 students. The program organized by the placement cell in the current academic year provided a wonderful platform for the students to enhance their employability skills.
