IQAC COMMITTEE

NOTICE

This is to inform all the Nonteaching staff of all Departments and Administration Staff that IQAC Committee is Organizing the 6-days workshop from 20/03/2023 on "Advanced Computer Skills and handling of Library and College Software" held by Computer Science Department team. We request you to participate in this workshop. Schedule of the workshop will be informed through WhatsApp group.

All the Participants (Employees) are requested to attend regularly.

PRINCIPAL

(MAA BHARTI PG COLLEGE)

Objectives: The basic computer training was intended to provide the employees with technical knowledge about the essentials of computers, applications on the computers, Internet research, and communication tools that should help them acquire ICT (Information Communication Technology) skills to facilitate knowledge acquisition through communication, and collaboration.

The goal of this training was to train up to 10 participants to acquire and develop basic computer skills to use the computer resources available in their departments. They learned and understood how to effectively use:

- The Operating System of Windows 7

- Microsoft Word, PowerPoint, and Excel 2010 to create documents

- Internet tools to search for information

- email for communication

- Library & College Software Handling

The Training Outcomes

The participants successfully completed the 6 days training program. To evaluate the participants learning of the content and processes, we assigned each of them a group project.

To evaluate the participants' learning of the training material, they were asked to use Microsoft Word to create a Report to share information about their departments.
